

Promo Mechanics:

1. For every purchase of Brother DCP-T300 and DCP-T700W, the customer will receive a rebate corresponding to the amount of the product purchased. Purchases must be made from Brother Authorized Dealers only.
2. The customer needs to submit the following documents inside the store for Brother to send the Gift Card:
 - any government issued ID
 - copy of the original warranty card
 - copy of the receipt of purchase
3. The customer can submit the documents through the following channels:
 - a. EMAIL: The customer must send the validation documents to the Brother Helpdesk Team at helpdesk@brother.com.ph
 - b. IN STORE: If there is a Brother promodiser in the store, the customer may present the validation documents to the promodiser, who will send the documents to Brother.
4. Brother will send the BPI Gift Card without value to the customer through courier service upon receipt of the completed documents.
5. The customer needs to activate the card by confirming the receipt of their card through the Helpdesk Hotline at 581-9898. Some information may be asked in order for the card to be activated.
6. Validation documents received after the cut-off time of 3:00pm on weekdays will be confirmed and processed on the following banking day.
7. The customer will have to wait for at most 5 banking days for the card to be activated. There will be no card-activating on weekends.
8. Once the card is activated, the customer can start using it.
9. Once the amount is consumed, the customer may keep the card for future Brother promotions.
10. Brother has the right to refuse/reject the transaction if found fraudulent.
11. This promotion is intended for end-users only, and not for resellers/dealers of Brother International Philippines Corp.
12. Third parties which are in conflict with Brother Philippines' businesses are not qualified to join the promotion.
13. For inquiries on how to use the card, the customer can inquire with BPI.
14. To check if the Gift Card has been validated already, customers may input the card number at https://secure1.bpiexpressonline.com/prepaid_inquiry.aspx.
15. Customers may purchase a maximum number of 3 units per day of the duration period.
16. Promo is available for SRP purchases only.
17. Lost or stolen cards with value will not be replaced.
18. For additional inquiries, customers may inquire to Brother Helpdesk Support through (02) 581-9800 or through email at helpdesk@brother.com.ph. Customers from Cebu may call (032) 410-7707, and customers from Davao may call (082) 321-0645/222-0346.
